

YOU'RE ABOUT TO BE A NEW PARENT! HAVE YOU THOUGHT ABOUT A SIMPLE ESTATE PLAN TO PROTECT YOUR LOVED ONES?

Every parent and soon-to-be-parent should, at the very least, have a simple will that expresses their wishes regarding the distribution of their estate (no matter how big or small) and more importantly, names their chosen Guardian and back up Guardian that they want to take care of and raise their child/ren.

Some other things to consider for other circumstances are a living will, durable power of attorney, healthcare power of attorney and healthcare power of attorney for minor child.

Parker Herring Law Group, PLLC offers competitive flat fee pricing:

- Individual Simple Will \$500 flat fee
- Individual Simple Estate Planning Package (simple will, living will, durable power of attorney, healthcare power of attorney and healthcare power of attorney for minor child) \$800 flat fee
- Couple Simple Wills \$800 flat fee
- Couple Simple Estate Planning Package (simple will, living will, durable power of attorney, healthcare power of attorney and healthcare power of attorney for minor child) \$1200 flat fee
